Collated Pins

with Super Point for Magazine Type PA Tools

FEATURES

- Collated in strips of 10
- Eliminates the handling of single pins
- High performance super point for easier penetration into very hard concrete or steel

TYPICAL APPLICATIONS

- Drywall/Lathing
- Electrical boxes, cable clips
- Formwork
- HVAC straps

DESCRIPTION

The **UCAN UD Collated Pins** features a mechanically zinc plated super point UD pin compatible with most magazine type tools.
